Jilleasa Zuidland

Contract Administrator

OFFICE • BRISBANE TEAM • MITCH GRIMMER
JOINED HUTCHIES • 2016

Jilleasa's career journey at Hutchies began in 2016 as a Cadet on the Newstead Central Projects. She gained managerial experience and studied business management and contracts while working on government office precinct refurbishment projects. After working as an Executive Assistant to the Chief of IT at Allianz Global Assistance, she returned to the construction industry and took up a cadetship at Hutchies. With a focus on 'on the job learning' and studying while working, Jilleasa has completed various diplomas and worked with several teams in different states. She enjoys the problem-solving, thinking on her feet, and resolving issues that come with Contract Administration and Project Management.
