Rebecca Sutton

Boost Contract Administrator

OFFICE • TOOWOOMBA TEAM • SEAN LEES
JOINED HUTCHIES • 2015

Rebecca is a detail-oriented team player, making her a go-to person for various tasks such as trades let, variations, and materials procurement. She discovered her love for organisation and technical management through a school-based traineeship in Surveying and studies in Geographical Information Systems, Environmental Engineering Building and Construction, and Business Management & Leadership. Joining Hutchies sparked her passion for construction, and she has excelled in roles such as Estimator, Cadet Contract Administrator, and Junior Project Manager before becoming a Contract Administrator. In 2019, Rebecca won the Women in Construction award from Master Builders Darling Downs and Western QLD.
